

To the friends and family of the School of Shamanic Womancraft,

We write to you with some very important and exciting news.

The School of Shamanic Womancraft is a community of women united by a revolutionary impulse for social change and healing. We offer the Four Seasons Journey and the Eight Seasons Journey- educational programs, open to women of all ages and circumstance. The 4SJ/8SJ offer students an in-depth opportunity to learn the philosophy and practice of Shamanic Womancraft, whilst cultivating a deep personal and spiritual connection with the Earth and the Divine Feminine.

The School is growing, and the Women are gathering, finding the deep connection they often didn't even realise they were craving. We wish to offer scholarships, allowing women from challenging circumstances and backgrounds to benefit from all of the holding, teachings and community that the SSW provides. We have currently one scholarship student who describes her involvement with the school as a life line. The courses are a year long and 2 year long residential, fully catered programs. Full and Partial scholarships will be available. How many depends on the funds we can raise here!

All donations big and small are received gratefully. Every amount contributes greatly.

If you feel your business or product is aligned and are financially able to contribute to the scholarship of a student, we would love to thank you by offering promotions through our various platforms. This will include:

- Your logo featured on our SSW website for a period of time
- Posting and promoting on social media
- Sharing of promotional material at our events
- Bonus offer for full scholarship package
- Logo or product promotion in JHC's seasonal newsletters

Our current reach is:
